HOLIDAY  
TAXIS.COM

A black gloss teapoint was installed with a wood worktop

Double glazed partitioning with blinds ensures privacy and sound-proofing in the meeting room

Feature carpet with a blue walkway and pebble effect flooring at the teapoint

# HOLIDAY TAXIS.COM

HolidayTaxis.com is an award-winning airport transfer provider with a worldwide reach, covering 9000 cities and resorts in over 90 countries. Their Brighton location was in need of a refurbishment project in the office space, teapoint and communications room.

There is no suspended ceiling in the workspace, leaving the mechanical and electrical fittings exposed; this limited the partitioning locations as it had to be installed around the ceiling fittings. Double glazed partitioning with blinds ensures privacy and sound-proofing in the meeting and breakout areas.

Manifestation on the walls in the workspace creates a holiday atmosphere with beautiful photos of popular destinations around the world. The feature carpet mimicked the holiday feel with a blue walkway and pebble-effect flooring at the teapoint. The teapoint was black gloss with a wood worktop, complete with a washing machine!

- LOCATION: BRIGHTON, EAST SUSSEX
- VALUE: £60,000
- FLOOR AREA: 350SQM
- DURATION: 4 WEEKS
- STAFF NO: 60
